

CruisesOnly Announces Exclusive Group Cruising Incentive Program
Free Custom-Made Apparel Now Available With Qualifying Bookings

MIRAMAR, FL. (Jan. 7, 2008) – CruisesOnly, America's Largest Cruise Agency, is printing custom shirts, caps and water bottle totes for all new cruise groups that book by January 31, 2008. This exclusive high value package is offered in addition to bonus amenities like ship board credits, welcome aboard receptions and free berths.

Groups that book at least eight staterooms aboard virtually any sailing of four nights or longer will receive matching custom-printed shirts, caps, and water bottle totes—each set with a retail value of \$36. This exclusive free extra applies to cruises from Celebrity, Carnival, Royal Caribbean, Norwegian, Disney, Holland America, Costa, MSC, Oceania, Crystal, Regent, Silversea, and more.

"I am very excited about this promotion," said Stuart Cohen, Vice President of Group Travel, CruisesOnly/WTH. "This is the perfect free bonus for any group. It's so costly and time-consuming to coordinate this kind of thing on your own yet so wonderful to enjoy while cruising. We take out the hassle and do it all for you."

After an initial deposit has been made with CruisesOnly, group leaders can select the color, text, and design they'd like printed on their custom apparel. Then, at least 30 days prior to their cruise's departure, group leaders will receive a shipment containing the items.
