Count them down ...

5. This one-bedroom, one-bath self-contained cottage has its own private entrance and is located on the beachfront in front of a reef, which is ideal for swimming and snorkeling with your sweetie.
4. [Les Palmiers in St. Martin](#) – Extreme privacy is what makes this villa a dreamy location for adoring couples looking to spend time beachfront. Les Palmiers, a one-bedroom villa with a king-sized bed sits on Baie Rouge Beach with spectacular views of Anguilla. Couples will enjoy sipping a drink in the daybed on the marble pool terrace just feet from the beach. Les Palmiers was also named the prime honeymoon location in St. Martin by "L'Art de voyager."
3. [Bali Hale Cottage in Maui](#) – Covered patios surround this cozy hideaway for the best of outdoor living along with spectacular ocean and mountain views.
