

Villas of Distinction® Adds New Properties in the South of France to Its Distinguished Collection

[Villa rentals in Cote D'Azur](#) and Provence offer breathtaking views and an array of exquisitely-designed villa properties

Wilmington, Mass. (April 8, 2014) – Villas of Distinction®, the world's premier villa rental company as part of World Travel Holdings, announce the addition of several new villa rental properties in the South of France to its worldwide portfolio. A sampling of these new additions featured below include private homes ranging from a 5-bedroom contemporary oasis in Cote D'Azur to a spacious 12-bedroom in Provence and are now available to travelers planning their next European getaway.

“The South of France is currently one of the most sought after vacation destinations,” said Steve Lassman, vice president and general manager for Villas of Distinction. “As a leader in the villa rental industry, we are on top of the latest trends and our product team is consistently working to bring top-of-the-line villa properties to our collection.”

Here are just some of the properties that have been recently added in **Cote D' Azur**:

- [Valeria](#) boasts the most amazing views of the bay of Cannes and the beautiful Lérins Islands. With 7-bedrooms, this contemporary, chic villa features a large terrace with sun loungers where guests can relax by the infinity pool or in the Jacuzzi, or play on the tennis court overlooking the sea.
- [Agatha](#) sits just a quarter of a mile from the sea overlooking the bay of St. Tropez and the passing yachts. This 5-bedroom lap of luxury designed by well-known architect Serge Roland boasts a contemporary and exotic décor on the inside while the exterior remains Provençal. Guests can relax by the infinity pool while the daily cleaning service puts everything back in order for an evening of fun.
- [Noisette 1](#) offers 5 bedrooms with en-suite bathrooms and a fully-equipped kitchen and bar with a contemporary flair. And, with this villa being located only a short distance from Pampelonne beach, visitors can sunbathe during the day and enjoy some of the world's most famous “beach clubs” at night like Nikki Beach and Club 55.

Here are just some of the properties that have been recently added in **Provence**:

- [Carmen](#) is an enchanted Provençal villa found in the splendid Luberon region, between Gordes and Menerbes. This very spacious 7-bedroom villa comfortably accommodates 14, and its guests will enjoy the scenic lavender field and a meticulously maintained kitchen garden. An awe-inspiring feature of this villa is its magnificent wine cellar and tasting room.
- [Villa La Verriere](#) is located within a large estate surrounded by olive groves, apricot orchards and lavender fields with exquisitely designed gardens on the premises and a delightful castle-inspired

play structure for children. With a home cinema room, a game room, wine tasting facility, swimming pool and outdoor Jacuzzis, pétanque (a game similar to bocce that originated in Provence in 1907) court and tennis court plus indoor and outdoor dining options, this villa offers something to keep all ages entertained.

- [Les Lourmarines](#) has 12 bedrooms and is the perfect villa for large groups of families and friends wanting to vacation together and create memories that will last a lifetime. And, with the village of Lourmarin very close by, visitors can see prominent sites such as a beautiful Renaissance castle, the Catholic and Protestant churches and the view from the village of the Proches Bastides, a large fortified farmhouse dating to the Middle Ages.

Cote D' Azur and Provence offer scenic and diverse landscapes, sapphire seas, world-class modern art, phenomenal food, a culture rich in history and so much more.
