

In Celebration of Teacher Appreciation Week, Cruises Inc.® Awards Teachers Extra Credit With New Business Opportunities

Cruises Inc. announces winners of “A, B, Seas of Travel” Contest

Fort Lauderdale, Fla. (May 6, 2014) – This Teacher Appreciation Week, Cruises Inc.®, the original work-from-home travel business opportunity and part of World Travel Holdings, announced the four winners of its annual nationwide “A, B, Seas of Travel” contest. Each winner received a Cruises Inc. home-based business opportunity and will attend a complimentary virtual training in June so they will be ready to start their new Cruises Inc. travel business in time for summer vacation.

Current or retired educators interested in this travel business opportunity were interviewed by a Cruises Inc. Business Opportunity Specialist. The winners submitted their resume and an essay on how their skills as an educator and passion for travel will result in a successful business. This year’s winners included Judy Watkins of Litchfield Park, Ariz.; Angela Denny of Harrisburg, N.C.; Kelly Page of Lindale, Texas; and Brett Hall of South Hamilton, Mass.

“Educators and travel agents both make dreams come true and we are thrilled to be able to contribute to this gift,” said Tim Courtney, vice president of network development at Cruises Inc. “Some of our most successful agents are former educators and I am confident that this year’s winners will follow in their footsteps, creating lifelong memories for their customers.”
