**Wilmington, Mass. (May 16, 2016)** – Villas of Distinction®, the world's premier luxury villa rental company as part of World Travel Holdings, announced today that it has added New York City and Westhampton, NY to its vast portfolio.

"We have seen an increased demand for luxury villa options domestically. To meet this demand, we have been actively adding more U.S. destination options over the last few years," said Steve Lassman, vice president of villa product & agency relations for Villas of Distinction. "The New York City residences are in the heart of Manhattan and allow us to offer a shorter-stay option to our clients. What's more, when compared to hotels in the city, these offer the best value and highest-level of comfort for small groups and families."

Villas of Distinction's New York City portfolio offers travelers a plethora of high-end, private and spacious residences that accommodate shorter stays and long weekends. All are centrally located to everything that the city has to offer with some featuring breathtaking views of Central Park and others highlighting private terraces with sweeping views of Manhattan.

Situated in a prime location, on West 44<sup>th</sup> Street between the Theater District on Broadway and the corporate corridor of the Avenue of the Americas, [AKA Times Square](#) are one- and two-bedroom luxurious apartments featuring a new roof terrace, lounge and fitness center.

[Midtown Jewel 40H](#) is among the largest one-bedroom residences Manhattan has to offer with amazing helicopter views looking down at Times Square with west-facing views to the Hudson River. The spacious, two-bedroom [Central Park Luxury](#) offers postcard-perfect view of Central Park and includes a health club, gym, and around-the-clock room service in the city that never sleeps.

In addition to New York City, two luxury vacation homes were added in Westhampton. The seven-bedroom [Westhampton Waterfront Home](#) is located in the picturesque village of Westhampton Beach and boasts its own private dock with ocean access, separate staff quarters, a pool, spa and sauna, and is an hour-and-a-half drive from Manhattan.

Offering a smaller villa feel is the newly-built two-bedroom, four-bathroom [Westhampton Beach House](#), which sleeps 10. This oceanfront home has an open floor plan and the entire ocean side of the house is glass, which can be completely opened to a wraparound terrace offering a 270 degree view of ocean and bay.
