

Honeymoon Wishes Become Reality with Dream Vacations Travel Franchise

Travel agency enables engaged couples to create wedding website and register for honeymoon experiences

Fort Lauderdale, Fla. (May 19, 2016) – National home-based travel franchise Dream Vacations makes dream honeymoons become reality through Honeymoon Wishes, a full-service, online honeymoon gift registry. Engaged couples are partnered with a vacation specialist who will assist the couple in choosing their ultimate honeymoon experience, and setting up their customized wedding website and honeymoon registry.

Instead of receiving household appliances, couples can register components of their honeymoon or destination wedding. Friends and family can gift once-in-a-lifetime memories such as upgraded accommodations, a couples' massage and dinner reservations, or memorable excursions such as swimming with the dolphins, a wine tasting in Tuscany, or a helicopter tour over the beautiful islands of Hawaii.

“Our vacation specialists are among the most experienced in the industry and have the resources and expertise to plan the honeymoon of a lifetime,” said Rosemarie Reed, vice president of marketing for Dream Vacations. “We have made it easy for couples to register and create their own websites, and have made wedding gift shopping more personal and fun.”

Engaged couples can customize requested gift amounts to fit all budgets. When a wedding present is purchased using Honeymoon Wishes, the couple will receive an online gift announcement with a personalized message from the sender. Gift cards can also be mailed, either directly to the happy couple or to the guest, so that they can be presented at the wedding or shower.
