

Book Top Holiday Villas Exclusive to Villas of Distinction®, Receive \$1,000 Concierge Credit

Villas of Distinction® reports that holiday and New Year villa rentals are already filling up quickly and now is the optimal time to book

Wilmington, Mass. (June 9, 2016) – Villas of Distinction®, the world’s premier luxury villa rental company as part of World Travel Holdings, is offering a \$1,000 concierge credit on select villas booked from now until June 30, 2016, for travel anytime between Dec. 15, 2016, through January 8, 2017. The concierge credit can be used toward amenities booked from private chef services, cooking lessons and golf tee times to massages, excursions and more.

“To encourage clients to book well in advance, we are adding a \$1,000 value to our client’s vacation with the concierge credit,” said Steve Lassman, vice president villa product & agency relations for Villas of Distinction. “Because holiday availability at these top villas can only be found through us, we want to ensure that our clients are able to reserve the villa and destination of their choice. Many times we receive calls in late fall when the holidays are approaching and it is very difficult to find available inventory.”
